25X1

The ROSTOCK-MARIENHE (E 95/O 82) airfield (see Annexes) was not occupied by a Soviet air unit. The landing field and the runways were in good condition. The airfield area was guarded by German factory police.

Comment: There has been no change in the condition of the airfield since 26 July 1949. The attached photographs show that the landing field is neglected.

Annex: Airfield of ROSTOCK-MARIENHE
